

Emily Barber: Pitch 3

Topic Idea: A review on the movie Love, Simon.

3 reasons why it is newsworthy:

Timeliness: The movie recently came out and has a new story line not seen very much before.

Human Interest: This movie has taken the world by storm, and the plot of the film is relatable to large groups of people.

Prominence: The cast of the movie has some big names such as Josh Duhamel, Katherine Langford and Nick Robinson.

I have seen this movie and have watched cast interviews, so my knowledge is enough to create a thorough review. As for the infographic for this piece I am thinking about doing a ferris wheel with different reasons why the film is something that would be impactful for every group. The ferris wheel is a main part of the plot of the film, so it would coordinate quite well.
